RED HOT AND RATED

Kaesler Wines

BAROSSA VALLEY, SA

**REID BOSWARD &
STEPHEN DEW**
Winemakers

What, for you, sets this red wine apart?

The fruit has been sourced from Kaesler estate vines planted at Marananga in 1899. This vineyard has a soil type that is quite different to most of the Kaesler vineyards and produces a wine of intensity yet beguiling restraint. Decant and enjoy with meat dishes, and some lucky friends. It's an attractive wine and will age with grace.

2012 Kaesler Alte Reben Barossa Valley Shiraz

From the estate 3.7ha vineyard at Marananga planted 1899, a national treasure; hand-picked, 8 days on skins, matured in new (35%) and used French oak for 20 months. The most surprising feature of the wine is its sheer elegance and light to medium body; its length and superfine tannins and oak will sustain it for as long as the cork lasts. 14% alc.

RRP \$150 /  2042 /
